

NEW Rotherham Rock & Pop Club

Rotherham Music is excited to announce the launch of the Rotherham Rock & Pop Club. The club will run in two sessions on a Friday night starting from 5th May.

5pm-6pm	-	6-11 year olds
6pm-7pm	-	12 years upwards

There will be a cost of £20 per term to attend the sessions, which will take place at Rotherham Music Centre at Rawmarsh CLC.

Open to all abilities, the sessions will cover the formation of bands, how to develop repertoire, effective rehearsal methods, live sound engineering, recording, and sequencing. We hope that the sessions will offer aspiring rock and pop musicians the chance to develop their understanding of how to be a live performer. The club members will also be able to utilise the studio facilities and Mac computers that we have here at Rotherham Music HQ.

The club is open to students of any instrument, but we anticipate that it will be most suited to those learning guitar, bass, drums, keyboard, or vocals.

As a new project, it's important that we get a good indication of interest. If your child would like to get involved, please complete and return the slip at the bottom of this letter, making sure that all details are completed.

We will then contact you via email or SMS to confirm your child's place at the sessions.

Kind Regards
