

We are delighted to announce that we, St Joseph's Catholic Primary School Dinnington, have achieved the School Games Gold Mark Award for the 2022/23 academic year.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

Our sporting achievements this year include:

- Attending a total of 16 sporting festivals covering a wide range of sports for all year groups, allowing children to experience competitive sport and represent our school in the community.
- 100% of children attended either a sporting festival or extra-curricular Physical Education intervention
- Winning the Under 11s Dinnington and cluster football festival
- Having 9 top three finishes in the Dinnington sport festivals
- Ensuring participation for all pupils in high quality PE lessons and extra-curricular activities
- All children engaged in 2 hours high quality PE lessons per week
- All children active for between 30-60 minutes a day
- Inter and intra sporting events throughout the year

With a total of young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year
